THE DAKI GLOBAL ADVANTAGE

1. Transparent Sourcing Role

We are neither a broker nor a factory claiming to produce everything. We represent international buyers as their local procurement team with on-site factory audits.

2. Stringent Quality Assurance

In-line production monitoring, pre-shipment inspections (PSI), moisture verification, and laboratory testing prior to container stuffing.

3. Export Compliance Ready

Phytosanitary Certificates, Certificates of Origin (Form A, B, EUR.1, CPTPP), Fumigation, FDA registration, EUDR compliance support.

4. Commercial & Risk Protection

Standardized Incoterms (FOB Vietnam Port, CIF, CFR), transparent pricing benchmarks, sample consolidation, and order milestone tracking.
